With more than 25 years in accounting, a few of Fernando’s top clients include a world famous art historian, an internationally acclaimed fashion photographer and a leading development resource for the cosmetic industry.

“It inspires me when current clients refer new clients to us, because of the services and quality of work DDK can provide them,” says Fernando. “I thrive on making clients happy.”

When he finds the time, Fernando still enjoys traveling the world. On the weekends, he relaxes by watching sports and gardening.
