This accomplished accountant and attorney joined DDK as a partner in 2011. Federal, state and local tax consulting, complex tax audits, protests and appeals, and transactional tax planning are among his primary responsibilities.

Domestic and international clients rely on his in-depth knowledge of dispute resolution, tax restructuring opportunities and other high level tax consulting services he provides.

Nick utilizes his legal training and accounting skills to apply state and local tax laws to client's unique industry needs or transactional needs to provide tax advice that is specific to the needs of multi-state businesses, commercial and residential real estate clients and high net worth individuals.

"I'm motivated by the need for businesses to be advised on an ever changing tax climate and to be provided with pragmatic and proactive business solutions," says the former Tax Partner with BDO USA LLP.

A speaker at Lorman and Strafford Tax Seminars, Nick has published articles in *The Journal of Multistate Taxation and Incentives*, *The Tax Advisor* and *The CPA Journal*, among other publications. Nick also serves as an Editor for Thompson Reuters tax publications.
